Who We Are

Charity Storage is the first national Self Storage industry charity. We are the **Official Charity Partner** of the **Self Storage Association**, a **Charity Partner** of the **ISS World Expo**, **Storelocal**, **SBOA** and the **NVSSA**, as well as an **Affiliate Partner** of the **AZSA & CSSA**. Charity Storage collaborates with self storage facilities to raise funds for **charities throughout the United States** by taking advantage of existing industry resources and processes.

What We Do

- Raise funds for other non-profits through **Charity Storage Auctions**
- Help establish **Charitable Donation Drop-Off Points Centers**
- Provide **Charitable Donation Receipts**, **marketing materials** and **opportunities for cross marketing**
- **Manage** Charity Storage **operations & accounting**
- Provide local, national and online **marketing opportunities**

How It Works

- Storage facility designates an empty unit as the **Charity Storage Donation Drop-Off Point Center**
- Tenants and the community (residents and businesses) donate items to the unit in exchange for a **Charitable Donation Receipt**
- **Charity Storage Unit** is auctioned off **onsite** or **online**, then a check is sent to Charity Storage for quarterly disbursement
- **60%** of auction funds are given to the **facility's chosen charity**, **20%** to **Kure It Cancer Research**, **10%** to the **SSA Foundation Scholarship Program** and 10% is retained by Charity Storage to help underwrite administrative costs
